Subject: RE: Mailing Address question - Former LAKA - 62 Kinkel Street

We sent an information request letter, which asked a series of questions to whomever we had knowledge of chlorinated solvent use in the area of the Superfund Site. In part, we reached out to the NCIA parties who had been listed in NYSDEC's ROD OU3 under the enforcement section. For our first set of letters I pulled a lot of the contact information out of NYSDEC's remedial database.

Our letter's to the contacts we had for the 62 Kinkel property were all returned to us. So, we had two letters that went out for 62 Kinkel St : one to 62 Kinkel St directly and one to Sylvester Street Holdings LLC (our enforcement investigator determined they are the current property owner).

I was hoping that if NYSDEC had a voluntary cleanup agreement for the 62 Kinkel Street property then whomever was listed on that agreement would be someone we can contact for further information.

Ultimately, we are working on drafting up an enforcement agreement so that (hopefully) the responsible parties can conduct the remedial design work for EPA's OU1.

- Jen

In about that timeframe, TAMs was working on the site under the state superfund. What is going on??

Thanks Joe.

Did the State conduct the remedial action in 2002 at the Former LAKA Property (62 Kinkel) ? If not, who?

Also, NYSDEC's remedial database has a voluntary cleanup listed for the Former LAKA Industries (62 Kinkel). Site Code: V00305. Could you let me know who NYSDEC was in a voluntary agreement with?

Thanks in advance,
Jen

The only active project for this site is legacy site svi, which has been stalled for years. I have had no recent dealings with this site. I suggest Property shark or the Nassau County web site.>>> Jeffrey Dyber 12/30/2013 12:48 PM >>>
Hi Jen,

All of the contacts in our database use the 62 Kinkel Street address. Joe Jones has most recently worked on this site.

Joe: Please send any updated contact information to Jennifer.

Sincerely,

Jeff,

Could you send me NYS' current mailing address for the property owner of 62 Kinkel Street with the New Cassel Industrial Area?
We've had two of our information request letters returned back to us:

- We sent one letter directly to 62 Kinkel Street.
- The other letter was sent to Sylvester Street Holdings LLC , 792 Carman Avenue, Westbury, NY 11590.

Thanks in advance and hope you had a great holiday,

Jennifer LaPoma
